

JULY 27—28, 2023

IME-USP

HMRT 2023

Certificate

I declare that Victor Pretti participated and gave the talk “*Finding Quiver Region*” at the event **“Homological Methods in Representation Theory”**, held at Institute of Mathematics and Statistics, Universidade de São Paulo, July 27-28, 2023.

Kostiantyn Iusenko
Organizing Committee

JULY 27—28, 2023

IME-USP

HMRT 2023

Certificate

I declare that Edson Ribeiro Alvares participated and gave the talk “*Piecewise Algebras*” at the event “**Homological Methods in Representation Theory**”, held at Institute of Mathematics and Statistics, Universidade de São Paulo, July 27-28, 2023.

Organizing Committee

JULY 27—28, 2023

IME-USP

HMRT 2023

Certificate

I declare that Roger Ramirez Primolan participated and gave the talk “*Controllable Extensions of Algebras*” at the event “**Homological Methods in Representation Theory**”, held at Institute of Mathematics and Statistics, Universidade de São Paulo, July 27-28, 2023.

Kostiantyn Iusenko
Organizing Committee

JULY 27—28, 2023

IME-USP

HMRT 2023

Certificate

I declare that Changchang Xi participated and gave the talk “*Finitistic dimensions and extensions of algebras*” at the event “**Homological Methods in Representation Theory**”, held at Institute of Mathematics and Statistics, Universidade de São Paulo, July 27-28, 2023.

Organizing Committee

JULY 27—28, 2023

IME-USP

HMRT 2023

Certificate

I declare that Marcelo Lanzilotta participated and gave the talk “*IT-LIT-GLIT Algebras*” at the event “**Homological Methods in Representation Theory**”, held at Institute of Mathematics and Statistics, Universidade de São Paulo, July 27-28, 2023.

Kostiantyn Iusenko
Organizing Committee

JULY 27—28, 2023

IME-USP

HMRT 2023

Certificate

I declare that Guilherme Cruz participated and gave the talk *“Han’s conjecture and its frontiers”* at the event **“Homological Methods in Representation Theory”**, held at Institute of Mathematics and Statistics, Universidade de São Paulo, July 27-28, 2023.
