

There are two typos:

In page 2944 identity (23) is

$$[a, [b, c, d], e] = [[a, b, e], c, d] + [b, [a, c, e], d] + [b, c, [a, d, e]]. \quad (23)$$

In page 2951, line -5, replace *all* q by $q = 1$.
