South American Workshop ON Integral and Differential Equations
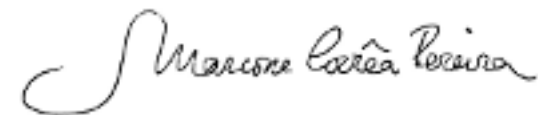

February 26-28, 2018 | University of São Paulo, Brazil

This is to certify that

Orlando Lopes

participated in the *South American Workshop on Integral and Differential Equations* , held in São Paulo, from 26 to 28 February, Brazil, at the Instituto de Matemática e Estatística da Universidade de São Paulo, and presented the talk *Uniqueness and radial symmetry of minimizers for a nonlocal variational problem.*

São Paulo, February 28, 2018.

Marcone Corrêa Pereira

Prof. Dr. Marcone Corrêa Pereira
Chair of the Organizing Commitee
