

South American
Workshop **on**

Integral and
Differential
Equations

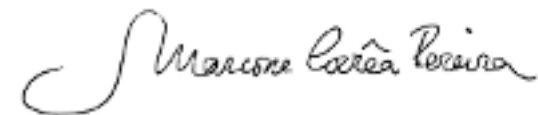

February 26-28, 2018 | University of São Paulo, Brazil

This is to certify that

Paulo Cordaro

participated in the *South American Workshop on Integral and Differential Equations*, held in São Paulo, from 26 to 28 February, Brazil, at the Instituto de Matemática e Estatística da Universidade de São Paulo, and presented the talk *Semi-global solvability with loss of one derivative of partial differential operators on surfaces*.

São Paulo, February 28, 2018.

Prof. Dr. Marccone Corrêa Pereira
Chair of the Organizing Committee
